COMMENTS					
<p>This project was originally intended as a contribution by MS/TR to the National Intelligence Estimate on Soviet Military Capabilities, 1963-1968. However, the terms of reference for the National Intelligence Estimate were changed and a requirement for a contribution from MS/TR was eliminated. The contribution is nevertheless believed to be of interest and value to military intelligence officers and it is recommended for publication as an EP. A recommended EP distribution list is attached.</p>
